Dear Sirs:

The undersigned attorney was contacted by the Examiner on April 1, 2004 relating to the above-referenced patent application to discuss possible claim amendments to place the application in condition for allowance. The proposed claim amendments were faxed to the applicants for their review. The applicants approved the claim amendments and a phone call was made to the Examiner on April 5, 2004 indicating that the applicants approved of the claim amendments.

The essence of the claim amendments are to incorporate the limitations contained within dependent claim 9 into claim 8 with appropriate needed amendments to the other dependent claims. The Examiner indicated that these amendments would be made by Examiner's amendment and that such would place the application in condition for allowance.

In the event any fees are due in connection with the filing of this document the Commissioner is authorized to charge such fees to our Deposit Account No. 50-0815, order number SHIM-010.

Respectfully submitted,
